

Mwfa CLASS RULES

1. Any 1980 and newer passenger car/ mini-van/ mini-truck/ mid-size suv. No ½ ton or bigger trucks. If running an awd vehicle you must remove the rear tires from the rims.
2. All vehicles must be stripped off all plastic, glass, headlights, taillights and anything else that could fall off onto the track during the show.
3. All vehicles must remain stock, you may loop the transmission line under the hood only. No looping of coolant lines. ABSOLUTELY NO WELDING ANYWHERE.
4. Bumpers must remain stock, do not alter bumper in anyway. Factory bumper shocks must remain in factory location. You may remove rear bumpers and shocks. There is no welding to be done on bumpers.
5. Batteries may be left in stock location and spray foam may be added around the battery. You may also move the battery to the passenger floor or seat. Please make sure the battery is not moving. ABSOLUTELY NO MOVING OF UNDERHOOD WIRING.
6. If factory gas tank is in front of rear axle you may leave it there. If it's behind the axel, you must remove it completely and run an aftermarket tanks inside the vehicle. No factory tanks inside the vehicle.
7. All doors may be wired or chained in 6 places max per seam.
8. Trunks, hoods, tailgates, all may be wired or chained in 6 places total. Sheet metal to sheet metal only. Nothing to frame or bumpers. If you remove trunk or tailgate you lose that wire or chain.
9. Rear seat bar may be added. It may be welded to post. If you have to add something to get it away from seat, please call. This is only to stop sides from coming in, not to help any other part of the vehicle.
10. Drivers door may be welded solid and may have a plate welded to the outside. This is for driver safety. This is the ONLY door that may have weld on it.
11. DOT tires only. Stock wheels only. All wheel weights must be removed. Only tubes and air are permitted inside of tires. These rules are cut and dry, you should not have to call to ask many questions on this class. If it does not say you can do it then that means YOU CANNOT do it. Quick and easy build.

Mwfa CLASS RULES

12. Windshields must be removed, also you must cut a 12 inch hole in hood for fire suppression
